**and what
have you**
by BOB CRAIG

Even before the game with Anson Friday night I think that this is a good time to say that I think that both the football boys and the coaches have had a real fine season—whether their record ends up 6-4 or 5-5.

It is hard to remember now but this is a much better record than was feared at the start of the season with our small, inexperienced squad. After winning five in a row it is very hard to reconcile yourself to defeat, but with the exception of ties someone must lose every time two teams meet.

Looking back you can see that the only difference between the team that lost to Haskell last week, and the team that was edged by Stamford and beat Rotan and Childress earlier in the season was desire and determination. The same boys, with the exception of the changes for injuries, played the same solid fundamental football in all four games. The only difference was that edge that a tremendous desire can give to a team.

While experience and talent can take a lot of beating and still come back—desire can not when the chance to achieve the goal is removed. There seems to be no doubt but what the Stamford game was the turning point in the season. Not only because the chance to win district was virtually wiped out but also because of the way the game was lost in the final period. It would take more determination than most of us possess not to suffer a severe let down following a blow like this.

All of us, this writer included, at one time or another are too quick to blame the boys or the coaches when we lose. We seem to think that somebody is doing something wrong when we get beat—never when we win. The same good call in a winning game becomes a bad call in a losing game.

There is a certain amount of gamble in football. Coaches must take all of the scouting information that they can get, try to fit this to the material they have and then work out an offense and a defense to use against an opponent. Then they have only three days to drill the boys on it. If this doesn't work—because a boy is not physically capable of matching his opponent or if the opposition springs a surprise—changes must be made during the game. Often times this is where a team gets in trouble because the boys can not make this adjustment quick enough. It takes experience and depth as much as anything else to make these changes and the teams that can make them are usually the one to beat in the race for the title.

So if you want to help the boys and the coaches win more games rather than just fuss when they lose I would suggest that you encourage some youngsters not out for football to come out. You will not only be helping the school to win but you will be doing the boy a big favor in the long run. Football can teach a boy many things that they can not get anywhere else, or particularly glued to a TV set or riding around in a car.

Let the boys know this week that you are behind them and will be in Anson Friday night rooting for them. Who knows you might ignite that spark of desire back in them.

See you in Anson.

I'm sure that all of us hoped that the sales tax passed in the last session of the Legislature would take care of the state's finances for sometime. But this doesn't seem to be the case, according to a report given to the Hamlin Lions Club Tuesday by Representative-elect Roy Arledge of Stamford. He told the Lions club that the state was in the red now and that many appropriations made in the past session that are just now coming into effect will require additional money.

It would appear that we will have another long session in store beginning in January.

Roy pointed out to the club that state expenditures have increased on back page

Civil Defense Meeting Well Attended Thursday

A good representation of Hamlin citizens attended the Civil Defense program which was presented in the Hamlin High School Auditorium Thursday evening when the Jones County Agents presented a program concerning the various phases of Civil Defense.

Kirby Clayton of Anson, Jones County agent, gave a talk using charts to picture the

important points concerning what to do in case of nuclear attack.

Mrs. B. V. Newberry, Jones County home demonstration agent, discussed the preparations which should be made in advance in regard to food, drug and other supplies needed in case two weeks isolation should be necessary.

Clayton gave illustrations of

the size of the hydrogen and atom bombs and gave comparisons of their destructiveness with TNT.

He then presented some charts showing the amount of destruction which would be expected in the five, ten, fifteen and twenty mile radius of the blast of a hydrogen bomb.

The speaker continued, noting the three phases following a nuclear blast. First there is the shock of the initial blast, second the heat wave, which follows in a matter of seconds and thirdly, the danger of fallout both from the lower blast and the second blast in the atmosphere. He also pointed out that wind currents have a decided effect on the fallout and determines the amount of time that can lapse before fallout becomes dangerous. He illustrated by saying if a blast was in Big Spring there would be approximately 1 1/2 hours to become protected for fallout.

He further explained the rate of deterioration of the fallout matter and said that a large per cent would be deteriorated in a two week period and the radioactivity would be diminished enough for normal activities to be resumed. He also told of ways to prepare the soil for future cultivation.

Mrs. Newberry discussed the supplies that would be needed in a fallout shelter. She distributed several leaflets giving specifications for shelters, the amount of food and water and other supplies that would be needed. She noted that all of the materials regarding civil defense are available for the asking from county agents' offices in Anson. Many of these have already been distributed in the schools.

Mayor John V. Howard is serving as Civil Defense officer here and introduced the speakers. Supt. C. F. Cook explained to the group about the plans that have been made at the schools and how they would be carried out in case of a disaster. All of this information has been sent home with the students for the parents to read.

Adult leaders receiving awards for outstanding work were Mrs. Carlton Pierce, Mrs. Owen Balder, Mrs. Wendy Jones, Mrs. Leonard Branch, Mrs. Gladys Vahlenkamp and Mr. Leroy Moyer.

These were presented by J. G. Simmons of Vernon, district three agricultural agent, and Miss Fern Hodde, also of Vernon, district three home demonstration agent.

The 4-H clubs presented an engraved clock to Ralph Riddle naming him as "Man of the Year." He has sponsored all of the annual banquets.

Reception, Dance Planned for All Anson Graduates

An informal reception and dance is being held in Anson Saturday evening at 8 p.m. in the Pioneer Hall for all former Anson High School students and friends.

The reception is being held this week end to coincide with the Anson Homecoming which will be highlighted by the Hamlin-Anson game Friday evening. Everyone is invited to the Saturday evening event.

Pipers Open Basketball Here Tuesday

The Pipers will open basketball season here Tuesday night with Clyde, according to Coach Edd Farmer. The B-team will play at 5:30, the Girls A Team will play at 6:30, and the Boys A Team will play at 8:00. Clyde was regional finalist in the state tournament last year.

EXES SET DATE FOR 1963 HOMECOMING

Officers of the Hamlin Ex-student Association met on Monday evening in the home of Mr. and Mrs. Robert Fowler to make plans for the 1963 Homecoming. The date for the event was set for Saturday, September 21, 1963.

There will be a parade and everyone is invited to participate. Initial planning of other activities also started at this meeting.

The officers are urging all the ex-students and teachers to register early and take an active part in the plans so that it will be the best homecoming.

Others present were James Rodgers, president, Buna Rountree, treasurer, Mrs. Ed Lewis, Mrs. Kenneth Riddle, first vice president; Laura Tucker, reporter, and Mrs. Edith Carter.

Mrs. Fowler is assistant secretary of the group. Other officers not present were Aubrey Haight, second vice president, and Mrs. Garland Preston, secretary.

Booster Club To Elect Officers Monday Night

Members of the Piped Piper Booster Club are urged to attend the club's final meeting of the year Monday night at 7:30, according to Charles Pearce, president. In making the announcement he said that officers for the coming year will be elected as well as some important business will be transacted during the meeting.

The football boys will be special guests of the club for this final meeting and the Anson-Hamlin film will be shown.

PIPERS TO CLOSE SEASON FRIDAY NIGHT AT ANSON

The Pipers and the Anson Tigers will close out the football season Friday night in Anson with the loser occupying the cellar position in the district. The game will be Anson's Homecoming celebration and a large crowd is expected.

This is the first year for Charlie Davis as head coach of the Tigers and his charges hold a 1-7-1 record for the season. The Tigers run from a tight flanker-T formation and are basically a running team with their fullback running up the middle and their halfback Thomas McIntire running wide.

Top linemen for the Tigers are guard Jimmy Sasser and tackle Dale McNinch. Probable starters for the 7:30 contest will be left end Steve Andrus, 156 pounds; left tackle Britt Thurman, 175 pounds; left guard Sasser, 160 pounds; center Roger Oden, 157 pounds; right guard Chester Calhoun, 150 pounds; right tackle McNinch, 180 pounds right end Bud Cloud, 158 pounds; quarterback John Sanders, 160 pounds; fullback Lain, 185 pounds; halfback McIntire, 156 pounds; flanker Dennis Cooley, 162 pounds.

The Hamlin FFA Senior Conducting team placed first in the Stamford District FFA leadership contest held here on Tuesday afternoon at the high school. Thirteen area towns competed for honors with firsts going to Hamlin, Anson, Stamford, Roby and Rule to qualify these teams to compete at the Area 2 leadership contest in Big Spring, Dec. 1.

The FFA quiz team placed second and the local Junior Chapter Conducting team placed fourth. Members of the quiz team include Jim Kincaid, Jimmy Hawkins, Cliff Sharer and alternate Gary Caudle.

The senior conducting group includes Ronnie Teichelman, president; Stanley Smith, vice president; Rupert Compton, secretary; Larry Farnsworth, treasurer; Jerry Cooper, reporter; Holman Jones, sentinel, and George Stovall, delegate.

Jimmy Hawkins is president of the junior chapter conducting. Other officers are Mike

3400 Take Polio Vaccine Sunday

The Sabin Oral Vaccine was given to 3401 persons here on Sunday in the Hamlin High School Gymnasium from noon until 7 p.m. The second of a series of three doses to stop polio, Type II was given to as many, if not more, than the first of the series, Type I, given here Sept. 26. A more accurate count of the number who received the doses could be made this time and it revealed that most of those who took the initial dose also returned

for the second dose. Those who did not get theirs here took advantage of the drive being held over a wide area and sipped their vaccine in other towns. The make-up day, for those who were unable to drink the vaccine Sunday, will be held Thursday at the primary cafeteria from 9 a.m. to 12 noon. The same procedure will be followed as the vaccine will be offered on a free basis. Donations of 25c will be taken from those who wish to help defray

the cost of administering the vaccine.

Mrs. Erma Wallace, school nurse, will be assisted by the following persons: Mr. and Mrs. Robert Fowler, Mmes. J. C. Turner, Donley Williams, James Harrison, Ed Gardner, Jack Townley and Rudy Hamric.

Dr. E. J. Hawkins and Dr. E. D. Perrin served as medical advisors during the drive Sunday. Dr. M. L. Smith, City Health officer, also helped in getting the program set up here.

Nurses on hand were Ruth Hallmark, Mrs. Wallace, Adele Dixson, Carmen Hallmark, Mrs. E. D. Perrin, Effie Miller, Mrs. Bobby Crowley, Llera Drummond, Mrs. Cecil Brown and Mrs. Fred Teichelman.

Robert Fowler and James Rodgers were in charge of the records. They were assisted by Mmes. Pete Bond, Ray Johnson, Ernest Jenkins, Gene Prewitt, L. J. Cunningham, Robert Fowler and Kenneth Riddle. Misses Lola Milstead, Sandra Jayroe, Mary Debs Rountree, Gloria Jenkins, Elizabeth Cunningham, Emma Gail Finley, Janice McCracken, Junie Jordan, Linda Helms, Pat Pope, Judy Jenkins, Linda Legan, Quita Kelly, Jeannette Goolsby, Lavonia Haight, Pamela Austin, Virginia Haight, Freda Ford and Shelia Stone.

Those registering were W. T. Johnson, Dr. and Mrs. F. E. Tuttle, Jerry Williams, Joe Ford, Guy Weaver, Ed Lewis, L. J. Cunningham, Weldon Johnson, Milburn Wink, Wesley Nail, Dr. James Harrison, Mrs. Jack Townley, Mrs. Jno. V. Howard and Mr. and Mrs. James Wright.

The local drive was sponsored by the local doctors with the assistance of the Hamlin Board of Community Development, civic clubs, and the schools.

Mrs. Wallace, Principal B. V. Newberry, and Supt. C. F. Cook handled the publicity in the schools.

Ned Moore, Rudy Hamric and Doug Justice were in charge of the supplies. The vaccine was stored in the Phelps Ice Plant.

Miss Lennie Greenway, finance chairman, reported that \$723.63 were taken in donations.

The telephone committee was composed of Mmes. Elita Bond, Art Newcomb, E. M. Wilson, Ed Bailey, W. T. Johnson, Nelson Shave, L. H. McBride, Theo Johnson, George Malouf, John Ed Day, Max Murrell, Bill Pickerson, Florence Cowan, Olin Amerson, Lou Bishop and Lillie Whittenburg.

THANKSGIVING SERVICES SET AT FIRST METHODIST CHURCH

The Union Thanksgiving Service will be held in the First Methodist Church Wednesday evening, November 21, at 7:30 o'clock. The public is invited to come and participate in this service of Thanksgiving sponsored by the Hamlin Ministerial Alliance.

The union service is conducted each year for Hamlin citizens. Rev. Fred Brown, pastor of the Faith Methodist Church, will bring the message and the choir of the host church will present special music.

The Ministerial Alliance has organized a number of years ago for the purpose of pastoral fellowship, discussing and planning projects for the benefit of

the community. This brings about an understanding and appreciation between the local churches.

The ministers meet the second Tuesday each month.

One of the very significant projects of the Alliance is the operation of a "Benevolent Fund" which provides money to assist residents and transients who need food, clothing, medicine, gas, etc. The support of this fund is the offering taken at the annual union service. Last year the offering was \$190.68. The disbursements for the year have been \$236.17 helping forty-seven families. All contributions to this fund are appreciated.

SANTA TO BE HERE DEC. 12; TO GIVE RIDES IN SLEIGH

The old gentleman from the North Pole will bring his Giant Rocket Sleigh to Hamlin on Wednesday, December 12, to take all the children for a ride.

The huge Giant Rocket Sleigh, custom-made of highly polished aluminum trimmed in red and blue, can accommodate 90 children on each ride according to Donley Williams, co-director of Hamlin's retail merchants, through a special arrangement

with Santa Claus, will give away coupons which will enable the children to fulfill the dream of every child, to ride on the 40-foot Giant Rocket Sleigh with Santa. The Sleigh is completely enclosed and heated for the children's comfort.

A personal interview by Santa with each child has also been arranged. Concocted speakers on the Sleigh broadcast each interview throughout the business district. Beautiful Christmas music will also be heard continuously in the background, as Santa, with his big Giant Rocket Sleigh . . . loaded with happy children, rides through the streets. It will follow a designated route, selected by the local committee.

A complete crew, all in costume, will accompany Santa on his visit here. The crew, in addition to Santa Claus, includes the Space Pilot, Co-Pilot, Space Captain and Space Hostess.

Large crowds are expected to come to the business district, Williams said, to see the spectacle and bring the children to participate.

Free ride coupons can be obtained from local merchants and no rides will be given without the coupons. Coupons will be turned in to Santa's ticket man for a numbered ride ticket. Groups will board the sleigh as their number is called. As many as 4600 children have ridden with Santa on the Rocket Sleigh in a single day.

HAMLIN TEAM WINS FIRST IN DISTRICT FFA CONTEST HERE

The Hamlin FFA Senior Conducting team placed first in the Stamford District FFA leadership contest held here on Tuesday afternoon at the high school. Thirteen area towns competed for honors with firsts going to Hamlin, Anson, Stamford, Roby and Rule to qualify these teams to compete at the Area 2 leadership contest in Big Spring, Dec. 1.

The FFA quiz team placed second and the local Junior Chapter Conducting team placed fourth.

Members of the quiz team include Jim Kincaid, Jimmy Hawkins, Cliff Sharer and alternate Gary Caudle.

The senior conducting group includes Ronnie Teichelman, president; Stanley Smith, vice president; Rupert Compton, secretary; Larry Farnsworth, treasurer; Jerry Cooper, reporter; Holman Jones, sentinel, and George Stovall, delegate.

Jimmy Hawkins is president of the junior chapter conducting. Other officers are Mike

Smith, vice president; Tommy Ferguson, secretary; Donald Embrey, treasurer; Gary Caudle, reporter; Johnny Snapp, sentinel; and Scotty Brown, delegate.

Judges for the team contests were judged by Ed Schneider, Roscoe Al Maberry, Trent; Bill Coalsen, Cooper High of Abilene; Cecil Allen, Abilene High; Raymond Holt, Loralne; Kenneth Roberts, Benjamin, all agriculture teachers; L. M. Hargrove, teacher trainer from Texas Tech; and Hulan Harris, Area 2 Supervisor.

Singing Sunday

The Jones - Fisher County Singing will be held here Sunday, Nov. 18, at 2 p.m. in the Foursquare Church.

O. L. Cohorn, president of the singing group, invites the public to attend. Many good singers will be present and a large crowd is expected. There will be two outstanding quartets.

From the Past

40 YEARS AGO Just a few more days and Hamlin will have a beautiful "White Way." It's a reality, for the concrete and iron stands are about ready for their Electric Globes. There will be a row down the center of Central Ave. and twice as many on the sides, thus giving us three bright lines.

From the way sheriff Binghena is after the whiskey makers it will not be very long until it will be a scarce article in Stonewall and adjoining counties. He captured two last week, one in the Swenson pastures, south of Sagerton, and the deputy at Sagerton and Henry Townsend of Rule assisted him in the capture of this one and the same week he and Townsend found one in a man's house north of Old Glory. The crime wave would soon be a thing of the past if every good citizen, or at least all who claim to be good citizens would get behind our peace officers and let them know that they are with them.

According to a news dispatch from the Abilene Reporter the water from the Swenson lakes, west of Stamford, will be turned into that city's water mains to be used for all purposes instead of the water from Lake Penick on the Clear Fork river here, as the Lake Penick water contains too much "gyp."

25 YEARS AGO Printed as news in the Hamlin vicinity 25 years ago were the following items, taken from the issue of The Hamlin Herald dated November 19, 1937: Another gap on highways out of Hamlin was closed this week with completion of work on Highway 4 north of Hamlin to the Fisher County line. Rev. W. H. Hanks, pastor of the First Methodist Church, is away this week attending the Northwest Texas Conference at Childress.

Mr. and Mrs. J. R. Neabitt of Lincoln, Nebraska, are guests in the home of Dr. and Mrs. P. A. Fowler. A killing frost came to the Hamlin section Wednesday morning, November 14 is about the average date for killing frost, old-timers declare.

10 YEARS AGO Considered news in the Hamlin community ten years ago were the items below, reprinted from the issue of The Hamlin Herald November 21, 1952: Seven members of the Hamlin Chamber of Commerce are slated to attend a conference Monday at Abilene with the Texas Highway Commission to discuss the needs of Highway 92 between Hamlin and Stamford.

Final tabulations of the voting in the November 5 general elections give Dwight D. Eisenhower 53 per cent of the votes in the United States. Mr. and Mrs. J. L. Blanton Jr. are announcing the arrival of a new daughter on November 4. Total of 1,114 suggestions of the Chamber of Commerce made in the recent clinic according to R. T. Spaulding, CC manager.

5 YEARS AGO The following is reviewed from The Hamlin Herald of November 21, 1957: Hamlin Future Farmers of America won three first places in district leadership competition last Monday at Stamford. Twenty-four vocational agriculture boys participated to comprise Hamlin's five teams. About 15 visiting pastors and deacons were present Sunday afternoon at the Fairview Baptist Church, seven miles southeast of Hamlin, for the ordination services of two deacons.

Representatives of the Hamlin Parent-Teacher Association are scheduled to attend the forty-ninth annual convention of the Texas Congress of Parents and Teachers when it meets in Galveston this week. "New Adventures in Partnership" is the theme of the convention.

Hamlin High School gridders placed a fitting crown on a fine football season Friday night when they laced the Haskell Indians 46 to 18 in a tilt that had no effect on the outcome of the District 4-AA crown. The victory gave the Pipers a season record of seven wins, two losses and one tie.

NEINDA PHILOSOPHER BELIEVES KHRUSHCHEV'S ADVISERS HAVE BEEN SEEING TOO MANY WESTERNS ON TV

Editor's note: The Neinda Philosopher on his Johnson grass farm on Route 1, takes a look at the Cuban situation this week from an odd viewpoint. Dear editor:

Generally it's against my policy to write you about anything that's happening as fast as the Cuban situation, on the grounds that it's easier and safer to comment on something already settled, but I have been thinking about what the Russians must have been thinking when they concluded they could get by with building guided missile launching sites in Cuba, and I think I have it figured out.

Mr. Khrushchev's advisers have been seeing too many TV westerns.

Not only have they been watching them, they believe them. They believe that the code of the west, TV version, prevails in the United States today and that a good man never shoots a bad man until the bad 'un draws first. Even if the Marshal knows there are outlaws taking positions with rifles and shotguns on the roofs of every wooden building in the town, he can't draw his gun on the leader walking toward him in the middle of main street until the leader draws first.

Stepped in this Western lore, Mr. Khrushchev apparently thought our hands would be tied while he built launching sites in Cuba, and that our Old West code wouldn't allow us to go for our missiles until he went for his. The fact that this would be too late for us, was a thought that apparently never occurred to him.

The way for world peace to be attained is for the TV producers to come up with some modern westerns, in which bounty hunters and the innocent homesteaders fight with guided missiles, and any time the Marshal finds out some outlaw is pouring concrete up in the hills for a launching pad

Oscar Gonzales Jr. is the new son of Mr. and Mrs. Oscar Gonzales. Grandparents are Mr. and Mrs. Victor Lopez of Crystal City and Mr. and Mrs. Olivia Gonzales of Hamlin.

ches westerns over here, but nobody believes them. In these days, pouring concrete is the same as going for your gun. Yours faithfully, J. A.

Postal Carriers To Conduct Livestock Survey

Rural mail carriers from the Hamlin Post Office will leave some livestock survey cards along their routes beginning November 16.

"Information reported on these cards is used to set the yearly inventory of livestock and poultry on Texas farms," Postmaster Perry Sparks explained.

Rural carriers distribute the cards at random in boxes along their routes. "This means that not every box will get a card," Sparks said. "For this reason, it's important for everyone who gets a card to return it filled out so that USDA can get a true sample of the State's livestock holdings."

Carriers assisting with the survey are: Andrew (Brad)

Rowland, Route 1; Jack Russell, Route 2; Harold Bonner, Route 3.

Facts and figures secured in this survey are the basis for the Texas and National pig crop report and inventories of livestock and poultry on farms as of the first of the year. Stockmen and many others use this information in making business decisions.

Survey results will be widely distributed through Texas Crop and Livestock Reporting Service releases, newspapers, farm magazines, radio, and television.

Mr. and Mrs. Harold Bonner had as guests in their home last week their son and family. Mr. and Mrs. Robert Bonner and daughter, Tara of Garden Grove, California. Mr. Bonner's brother Sewell, of Carlsbad, New Mexico; Mrs. Bonner's mother and brother, Mrs. J. W. Clark of Sweetwater and Cecil Clark were also guests. Mrs. Florence Bonner, who lives

Where have the LEAVES Gone?

Trees without their leaves are like a Church building without the people. The real warmth, friendliness, and welcome atmosphere are created by the people. All of these things are a real aid to worship.

"Give unto the Lord the glory due unto his name; worship the Lord in the beauty of holiness."

Come, be one among many to share in the joy of worshiping in the Lord's house this Sunday.

EVERYONE IN THE CHURCH THE CHURCH IN EVERYONE

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

ETY ASSOCIATION STARTS NAGE FIREARM CAMPAIGN

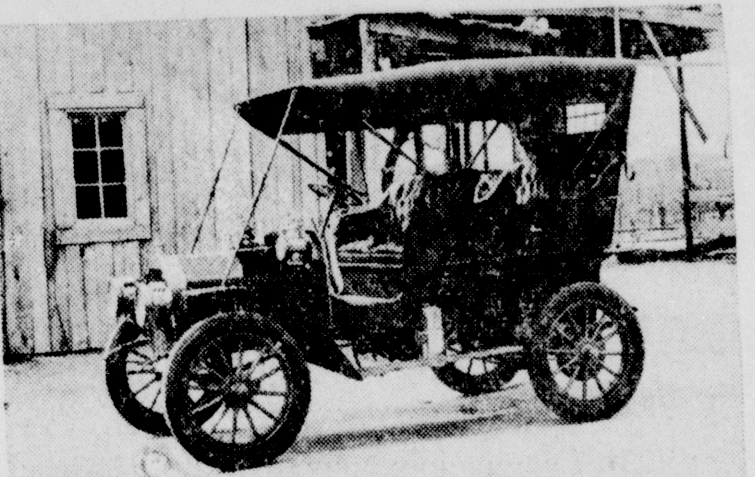

Launching a Teenage Firearm safety campaign, the Text Association reported that 50 per cent in teenage fatalities increase in firearm among teenagers is a particularly since the 1961 year. J. O. Musick, Manager of TSA, said that the number of public accidents in 1961 were double the number of home accidents last year.

"Usually, just as many teenagers in the 15-19 age group are killed in home firearm accidents as are killed in public firearm accidents," he said.

He urged parents to teach gun safety and safe hunting rules to their teenagers and advised young hunters to learn all they can about guns and practice what they are taught.

Musick said safety officials felt more emphasis on gun safety and parental guidance would reduce firearm hazards not only in the field, but also at home.

He advised parents not to let their sons go hunting alone or with other youngsters until they are sure they know how to handle a gun and themselves.

One of the first cars to carry the U. S. Mail, this 1908 Model F Buick, featuring an adjustable steering column, would travel 25 m. p. h. Its large 2 cylinder, 18 horsepower engine is located under the seat.

OLDER WORKERS CAN EARN MORE, STILL GET SOME SOCIAL SECURITY

Many working people 65 and over who have not yet applied for their social security benefits may have some money coming to them under a change in the law recently enacted by Congress. This change makes it possible for older workers to earn more and still collect some of their social security benefits.

Under the law as it stands now, a social security beneficiary can earn as much as \$1200 in a year and still collect all his social security benefits.

A beneficiary who earns more than \$1200 in a year gives up only \$1 of his social security benefits for each \$2 that he earns from \$1200 up to \$1700. For every \$1 that his earnings go over \$1700, he gives up a matching \$1 of his benefits.

The table below will give you a rough idea of how this works out. It is set up along the lines of the mileage charts you find on many road maps.

First look in the column on the far right for the amount closest to the amount of your monthly social security benefit (or your monthly family benefit, if other members of your family will be receiving benefits based on the same social security account).

Next look in the steps that go up starting on the left for the amount nearest to your expected earnings for the year. Directly under that step, in the box on a line with the benefit amount, you will find the amount of benefits payable for the year.

If you do not know how much your benefit (or family benefit) rate will be, you can ask your social security office to give you an estimate. Or you can ask that office for a copy of Leaflet No. 855 and estimate the amount yourself.

Total Earnings for the Year (in dollars)		Monthly Benefit Amount	
		1500	1200
2000	330	480	\$ 40
2400	170	570	\$ 60
3000	10	610	\$ 80
3600	0	650	\$100
4000	0	690	\$120
4300	0	730	\$140
0	0	770	\$160
0	0	810	\$180
0	0	850	\$200
0	210	890	\$220
198	498	930	\$240

"The best way to be sure of your son's ability is to take him hunting with you," Musick declared.

He warned teenagers about showing off a new gun to others.

"Make sure you know your gun before showing it to anyone else. Don't let others take over the gun—many a teenager friendship has ended tragically at this point!"

The safety director offered these tips for gun safety:

1. Treat every gun as if it is loaded.
2. Never point a gun at anything you do not intend to shoot.
3. Be sure of your target before you shoot.
4. Before firing be sure barrel and action are clear and unobstructed and that you are using the proper size ammunition.
5. Keep the safety on until you are ready to shoot and carry the gun so it will not point at anyone if you should stumble.
6. Unload your gun before climbing a fence or tree, or when traveling in an automobile or boat.
7. Never shoot a bullet at a flat, hard surface or at water.

8. Don't mix gunpowder and alcohol.

9. Before carrying a gun into camp, unload it and leave action open.

10. Be sure guns kept at home are empty and that ammunition and weapons are stored in separate places, away from children.

Second Round Of Brucellosis Testing in Jones

Mr. Denny Kennard, with the Brucellosis Testing Program is back in Jones County this week testing those cattle which were not tested during the first test, according to word this week from County Agent, Kirby Clayton.

Livestock producers who have not tested their cattle, should turn their names in to the County Agent's office as soon as possible in order that the testing program may be completed for the County.

Producers who have had reactors or suspects from the first test should contact Dr. David Ballard in Stamford for their second test, says Clayton.

'63 Chevrolet Trucks

THEY'VE ALWAYS BEEN TOUGH BUT NEVER STRONGER THAN NOW!

You can be sure that new engines, frames, suspensions that licked Mexico's Baja* Run will work for you long, faithfully and at traditionally low Chevrolet cost.

A Chevrolet truck has always been a sound investment because of its quality construction. This is what makes it give you an honest day's work every day at very low cost and—when you are finished with it—return more resale money to your happy pocket.

This year stronger frames, engines that can pull more, and practically tailor-made suspension systems make Chevrolet trucks a better buy than ever. If you're in the market now, we'd welcome the chance to tell you about, and let you drive, the new trucks. Just give us a call.

DEMONSTRATION CLUB OFFICERS TAKE TRAINING COURSE WED.

by Mrs. Elmer Joiner

A training meeting for Home Demonstration Club officers, members, and visitors was held in the county court room in Anson, Wednesday afternoon, November 7, and conducted by Miss Bonnie Cox. Miss Cox is an organizational specialist from A&M College and a very interesting speaker.

Some of the high lights brought out in her talk about Home Demonstration work were that women teach each other, the information you receive is up to date, has been tried and is information with depth. The programs provide thinking as well as doing, and the work provides leadership that can be used in other places.

Russell, Crowley Win Bridge Session

In the Master Point Session held Tuesday evening by the Hamlin Duplicate Bridge Club, Jack Russell and Bobby Crowley placed first, Grady Bowdry of Stamford and Starr Inzer placed second and Mrs. Gene Knabel and Harry Yates of Stamford were third.

The club meets at 7:30 Tuesday evenings at the Mid West Cooperative Oil Mill. Everyone is welcome.

She stressed the fact that extension work was for everyone in the county and the information they have can be obtained for the asking.

In discussing the carrying on of the club work she brought out the fact that everyone has the ability to do something, not everyone is a good leader, nor everyone a good demonstrator, but maybe there is something each one can do, but whatever it is it should be done well.

The duties of each officer in club and council was discussed, some very good points in parliamentary procedure were brought out. This included some situations which often come up in the meetings, and how to cope with them.

A very good representation of the twelve clubs in the county was present. Also present was the agent from Dickens County, the former Doyleene Morgan, who recently was married and is now Mrs. Meadows.

Birthday Party

Donna Faye Scifres, daughter of Mr. and Mrs. Jessie B. Scifres of 48 N. W. Ave. E., was honored by her parents on her third birthday with a party at their home Saturday at 2 p.m. Some 35 guests were present. Cake and punch was served.

Jorene Hudspeth And John Richey Set. Dec. Wedding

Mr. and Mrs. Joe Hudspeth are announcing the engagement and approaching marriage of their daughter, Jorene, to John Harvey Richey, son of Mrs. Jack Richey and the late Mr. Richey.

Wedding vows will be exchanged at 8 p.m., Friday, Dec. 21, in the First Baptist Church with the pastor, the Rev. Leonard Hartley, officiating.

The bride-elect attended grade school in Stamford and was graduated from Hamlin High School in 1961. She was a member of the Future Homemakers of America, a majorette and was selected Miss Hamlin High School her senior year and also Rotary Club Sweetheart and Senior Class favorite.

An active member of the First Baptist Church, she served as musician in the Adult Department of Sunday School. She is now a sophomore in Hardin-Simmons University of Abilene, where she is majoring in speech and hearing therapy. She is secretary of the Speech Club.

Her fiancé, attended grade school in Abilene and is a 1959 graduate of Hamlin High School, was active in basketball and football, serving as one of the football captains. He also served on the annual staff and was a member of the National Honor Society. A senior in McMurry College, Abilene, Richey is a member of the IHR Social Club and plays on the varsity football squad. He is majoring in physical education and his minor is history.

B&PW Club Hears Program on Heart Disease

The Health and Safety Committee of the Hamlin Business and Professional Women's Club was in charge of the program for the Tuesday evening dinner and program meeting in the primary cafeteria.

The three aspects of heart disease were discussed by Mmes. D. W. Stell, Earl Brown and Oddis Hallmark. Two films were also shown, one "A Second Chance" and the other, "Coronary Heart Conditions."

Other members of the committee included Mmes. Florence Cowan, E. G. Holzmann and Miss Oleta Avants.

Guests were Ned Moore, W. T. Johnson, Rudy Hamric and Levi McCollum.

A Thanksgiving motif was used for both menu and decorations.

Mrs. M. T. York gave the invocation. Mrs. Holzmann led the group in singing "America" while Mrs. J. W. McCrary was accompanist.

Mrs. W. B. Britton, president, presided.

The next club meeting will be a business meeting November 27.

Soil Technician Speaks to Local Garden Club

W. A. Pool of Stamford, Soil conservation technician, was the speaker for the Friday afternoon meeting of the Hamlin Garden Club in the home of Mrs. Joe Culbertson.

Mrs. D. B. Sauls, program director, introduced the speaker. He gave the group pointers on maintaining the condition of the soil and told them to fertilize now and put out necessary poisons. He also mentioned that the pruning should be done later and when the weather is not too cold. He then gave them information on procedure for having the soil tested.

Mrs. M. T. York led the reading of the Club Collect. Mrs. S. L. Tate was in charge of the arrangements for the meeting.

The next meeting, December 14, will be a covered dish luncheon in the home of Mrs. Tate at 1 p.m.

Friendship HD Has Covered Dish Supper

A covered dish luncheon was held Friday at the Oil Mill Guest House with the Friendship Home Demonstration Club as hostess to 13 members and 5 guests. Guests were: Mmes. Ross Jones, B. V. Newberry, J. E. McCoy, John Howard Jr., and Alton Mayfield.

Mrs. R. M. Young conducted the business meeting which was held after the luncheon.

Ideals were exchanged for making Christmas gifts.

Gloria Lammert And Burt Turner Plan Wedding

by Sharon Leverett

Mr. and Mrs. Herbert W. Lammert, of Old Glory, announce the engagement and approaching marriage of their daughter, Gloria Jean, to Bert E. Turner, son of Mr. and Mrs. Buford Turner of 102 Kissling, Robstown, Texas.

The young couple will be married at 7 p.m. Saturday, December 29, at St. Paul's Lutheran Church at Sagerton with her brother, the Rev. Herb Lammert of Damon, and Rev. I. F. Scheffel, pastor of St. Paul's, officiating.

A 1957 graduate of Old Glory High School, Miss Lammert received her bachelor's degree in Elementary Education from Texas Lutheran College in Seguin. At Texas Lutheran she was president of the Student Education Association and was treasurer of the Kappa Pi Gamma Sorority in her junior year. As a senior she was selected as Who's Who in Elementary Education. Since graduation she has been employed in the Waco Public Schools.

Turner also attended Texas Lutheran College where he majored in Business Administration.

The couple plan to make their home in Waco.

COMMUNITY

The Old Glory Variety Club members honored their husbands when they staged their annual Thanksgiving supper last Saturday night in the Old Glory Cafeteria. The meal featured Turkey and Dressing, Green Beans, Potato Salad, Cranberry Sauce, Pickles, Hot Rolls and Coffee. Also Apple Pie, Pecan Pie, and Whipped Cream. The Buffet meal was served from T-shaped tables made lovely with arrangements of chrysanthemums.

Assisting in serving and cleaning the kitchen was Beverly Garner and Sharon Leverett. Games of "42," "84" and "Rook" were enjoyed. Miss Virginia Johnson was a visitor and the attendance totaled twenty-five.

4-H NEWS

The Old Glory Junior Leaders Club met several times at school to make plans for the

decorations to be used at the Stonewall County Award Banquet on November 9. The group worked two nights making the decorations and set them up in the Aspermont Cafeteria on the day of the banquet. Sharon and Stanley will be in Abilene on Wednesday for the District Gold Star Banquet. It will be televised. Hope when you read this you can say—"Yes, I saw it yesterday."

I hope you will pardon if the news seems short this week and a bit thrown together. You see—I hit "Cloud 9" when I found out I would be going to Chicago to National 4-H Congress, but now with the date of departure just a week away from the day you get your paper I am just really in a "dither." I have received much material on what to take to wear and how to wear it, how to eat, how to tip, information about every member of the Texas group, etc.—and I'm supposed to learn it all! So looks like I will be burning a little midnight oil so as to bone up. Don't want to embarrass good old Texas, and want to make Stonewall county, Old Glory, and all of my friends proud that I did get to make the trip. I shall appreciate your thoughts and good wishes during the time that I am gone.

4-H The Old Glory Junior Boy's 4-H Club met on Tuesday, October 30 with ten members present and adult leader, Mrs. V. R. Leverett. Clifford Gholson gave an interesting and informative report on "Encephalitis." Mrs. Leverett gave a demonstration on "The 5 B's" and discussed the importance of the toothbrush, hairbrush, shoebrush, nailbrush and clothes brush for good grooming. Jimmy Leverett led the group in one song. The meeting was presided over by President Larry Flow and Secretary Mike Balder read the minutes and called the roll. Kenneth Jones and Lyndell Quade will have parts on the program at the next meeting.

SCHOOL When the County Teacher's Association met in Aspermont last week the Old Glory School was represented by Mr. and Mrs. Tom Pritchard, Mrs. T. E. Beil, Mrs. Eddie Mathews, and Jerry Johnston. Also attending was Mr. Beil, and Mrs. Johnston. The group met in the Hotel Stonewall and enjoyed a sumptuous meal prior to the program which featured an

Abilene doctor, Irby Fox, who spoke on "Civil Defense and the Communist Threat."

At a Faculty meeting last week the Old Glory teachers set the date for the annual "Trustee Party" as December 2 with Mrs. Jane Pritchard as chairman. A Christmas program will be presented but no date was set. Mrs. Eddie Mathews was named chairman of this event.

Old Glory School has been placed in District 14B for the spring Literary events. The change was made at our request and will put us with Avooca, Hawley, Noodle, Lueders and possibly others.

The Junior Class sponsored a Bake Sale Saturday morning in downtown Old Glory. The group has been taking and delivering orders for bake products all week and they can turn out delicious products — we had some Homemade Bread and pecan pie at our house and so I can vouch for them. Mrs. Maxine Klump is sponsor of this energetic group composed of twelve boys and girls. Terry

Sellers is class president.

The Old Glory FFA Chapter bought and installed a full-length mirror in the girl's dressing room last week. The mirror was a much needed item by the girls. The FFA chapter sponsored a "Stanley" party last year and money made from one sponsored three years ago had not been used. The chapter plans to add some much needed equipment to the Homemaking Department, especially in the kitchen. Sophia Vargas is President and Linda Gholson is chairman of the Finance committee that will plan for the spending of the money.

The School Calander is really full of Basketball games for the next three months. November 13 we play Hawley here and on November 27 we play Girard here. We play Guthrie there on November 16 and Merkel there on November 20. The Girls will enter the Dyess Tournament that starts November 29.

PERSONALS Miss Virginia Johnson was a dinner guest Sunday in the

home of Mr. and Mrs. Morris Garner.

Mr. and Mrs. J. E. Flow, Marilyn and Larry and Darlene Whitson went to Mineral Wells over the weekend and visited relatives.

Mr. and Mrs. Cliff Gholson visited relatives in Spur Sunday.

Mr. and Mrs. Mack Newman of Abilene visited with his family, the Jimmy Newmans, over the weekend.

Mr. and Mrs. T. E. Beil had as their dinner guests Sunday the following: Mr. and Mrs. Nobles and children of Haskell, Mr. and Mrs. Price and daughters of Aspermont, Mr. and Mrs. Dervey Stubbs of Aspermont, Mr. and Mrs. R. B. Hall and son of Frederick, Oklahoma, Mr. Dick Hennig of Abilene

Letters to Editor

(Ed. Note) These notes were received this week at the Hamlin Herald office with subscription renewals:

Dear Herald Folks,
Here is my check, and I'm sorry that I had to be reminded. I have intended for weeks to send my check. Even though I live in Lubbock, Hamlin is still home and I miss the Herald like I would miss a friend from Home.
Thanks,
Mrs. T. N. Hemphill

The Hamlin Herald
Hamlin, Texas
Gentlemen:

Sorry to be late with my renewal. Please start my renewal with the first issue I missed.

I would have sent the renewal in sooner but have been very preoccupied lately. My Dad, Roscoe Greenway, was up visiting me from Oct. 9 to Nov. 1 and we have been somewhat busy.

I like to get the home town paper as it reminds me of my old-time friends down there.

Thank You.
Sincerely,
Guy W. Greenway

SEVEN STUDENTS INDUCTED INTO NATIONAL HONOR SOCIETY

Thursday afternoon the Hamlin High School student body assembled in the auditorium to see the initiation of the newly elected members of the National Honor Society.

Mark Smith, president, gave an introduction, telling the history of the organization. He then introduced other members who gave the cardinal principles on which the National Honor Society is based. Dan Newberry gave the meaning of Character. Gloria Jenkins spoke on Scholarship. Sandra Jayroe gave the qualities of Leadership and O. H. Weaver Jr., defined Service. Lou Ann Hawkins then described and gave the meaning of the symbol of the National Honor Society. The names of the new members were then revealed to the

student body as they were taken to the stage by one of the members. After being pinned by the president, the new members: Gary Jay, Sue Johnson, Joyce Smith, Kathy Hallmark, Phyllis Scarborough, Barbara Lailey and Ronnie Sipe, repeated the pledge.

Mrs. Dewey Nunley, a former member of NHS and now a teacher at Hamlin High School, spoke to the assembly. She stressed the importance of each one having a goal and striving to reach that goal. She emphasized that in so doing this would make each person a better citizen.

Members for the Society are chosen by the faculty and present members on the basis of character, scholarship, leadership and service. Only 15 per-

cent of the class membership can be chosen. These must have at least an 88 average scholastically and must maintain high standards of the above mentioned qualities.

After the initiation program, the members and their parents and the faculty attended a reception in the homemaking department hosted by the NHS officers.

Underwood

now offers the most complete line of office machines ever available from a single source

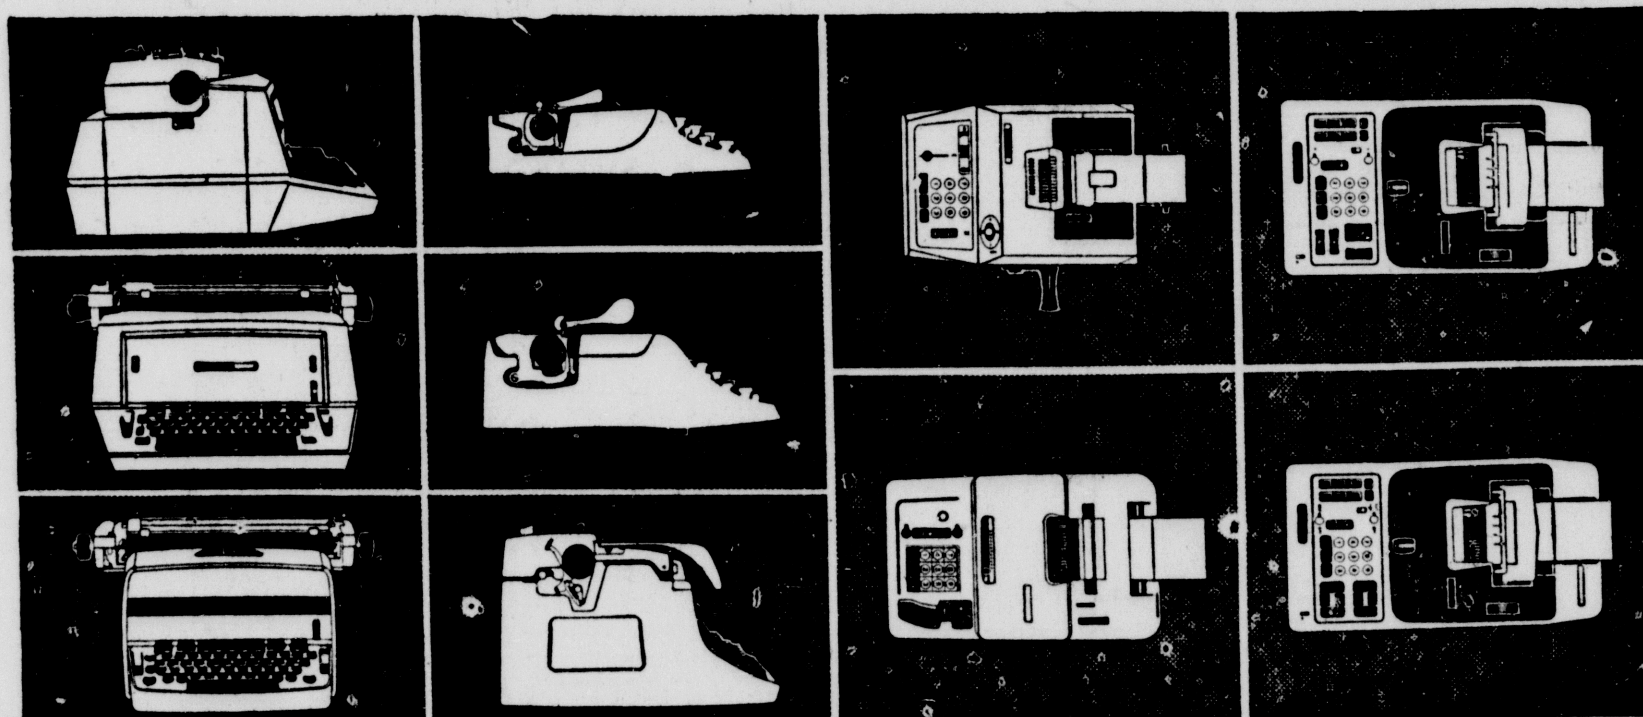

Underwood's wide range of portable, standard and electric typewriters, adding machines, calculators, accounting machines and tape-to-card converters is assurance that the Underwood Representative is uniquely able to match the machine to the job, free from pressure to sell a machine that's too much for the job or too little.

For example, he has three dramatically new Underwood electric typewriters—to cover every typing requirement from the board chairman's most important correspondence to the shipping department's labels. But when typing demands don't justify an electric machine, he is able to provide a new Underwood standard typewriter that produces high-quality typing at exceptionally low cost.

So varied and versatile is the new Underwood line that no matter what your business or your office requirements, it's almost certain that one of Underwood's office machines shown below can save substantial sums of time and money for you.

Soon your Underwood Representative will call on your company. If office costs are your concern—he's your man.

If you'd like to see him immediately, telephone—or write to Underwood Corporation, One Park Avenue, New York 16, New York.

underwood RAPHAEL: An electric typewriter with automatic variable spacing, polyethylene carbon ribbon and many advanced features.

underwood FORUM: An electric typewriter with standard letter-spacing and both polyethylene carbon and fabric ribbons.

underwood SCRIPTOR: A fully-electric typewriter with fabric ribbon for general-purpose typing.

underwood-olivetti LETTERA 22: A super-lightweight portable with important big-typewriter features.

underwood-olivetti STUDIO 44: A compact standard with all important office-typewriter features, yet easily portable. Full-size keyboard.

underwood TOUCH-MASTER FIVE: A standard typewriter of exceptional lightness of touch and unusual operating ease.

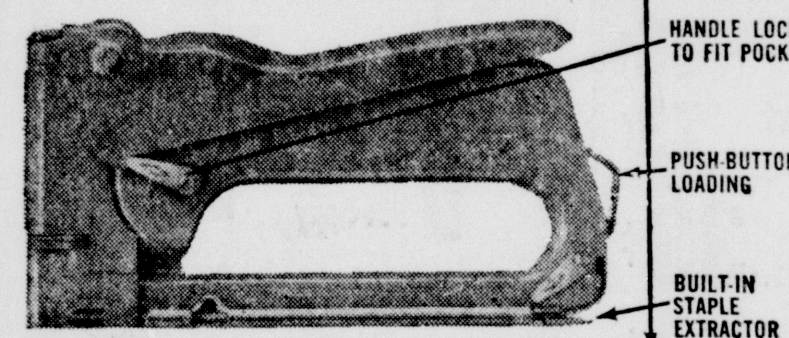

underwood-olivetti PRIMA 20: A high capacity 10-key hand adding machine with direct subtraction, credit balance, printed tape and other features not usually found in low-priced machines.

underwood-olivetti ELECTRO-SUMMA 22: A high-speed, high-capacity 10-key adding machine with automatic credit balance, direct subtraction and automatic dater. Also does multiplication.

underwood-olivetti DIVISUMMA 24: A high-speed, high-capacity calculator with exclusive "memory" feature that eliminates manual re-entry of intermediate results in combined operations.

underwood-olivetti TETRACTYS: A dual-register version of the Divisumma 24 with a "memory," it performs all the operations of the Divisumma 24 and handles complex combined operations.

PIPER PATTER

by O. H. WEAVER JR.

"Live your life to the fullest" was the topic Mrs. Dewey Nunley spoke on last Thursday afternoon for the National Honor Society induction of new members. Seven new members were inducted into the Society by president, Mark Smith. The seven new members are: Kathy Hallmark, Gary Ted Jay, Sue Johnson, Joyce Smith, Phyllis Scarborough, Barbara Lakey and Ronnie Sipe.

The new members are elected by the present members of the society along with a committee of teachers. The students are evaluated on four

things: scholarship, leadership, character and service. They must have a grade average of eighty-eight or above to be selected.

After the installation a reception was held in the dining room of the Homemaking Department for all new members, their parents, faculty and members of the society.

The Spanish Club of Hamlin High School met Monday night for their first meeting of the year. President, Dan Neyberry, called the meeting to order and told the club about the pins to be ordered.

Mary Debs Reuntree, program chairman, led the group in a few games after which refreshments were served to the forty-one members present and Mrs. Charles Scott, sponsor of the group.

-hhs-

The Future Homemakers of America, Hamlin Chapter, attended a breakfast Saturday morning in the dining room of the Homemaking Department. The Homemaking I Foods classes prepared and served the food.

During the regular business meeting which followed the chapter elected an FHA Beau for this year. The chapter also voted to hold a bake sale November 17 from 9 to 12 in front of J. M. McDonald Department Store. Sandra Jayroe is in charge of the sale.

The Interscholastic League Marching contest will be held in Abilene at Fair Park Stadium, Saturday, November 17, beginning at 8:30. The Hamlin High School Band will compete with other AA schools for a first division rating.

PIPERS SUFFER 20-6 DEFEAT IN HANDS OF HASKELL INDIANS

Failing to mount a sustained drive until late in the final quarter the Pipers suffered their fourth district defeat Friday in the hands of the Haskell Indians, 20-6. The Pipers score came with three seconds left of the clock on a drive that saw Van Newberry complete five passes for 65 yards of the 75 yard drive.

With the exception of a first quarter scoring threat by the Indians following a recovered Pipers fumble on the Hamlin 38, all of the action of the first three quarters was confined inside the two 25 yard lines as neither team could seem to keep a drive going.

The Pipers outgained the Indians on the ground in the first half, 94 yards to 42 yards; but the second half saw the Indian ground attack come to life as they gained 143 yards to the Pipers 61. In the air, the Indians led at the half with 48 yards on 3 of 7 passes completed to the Pipers 19 yards on 1 of 3 passes completed. Moving to the air in the second half the Pipers completed 7 of 15 passes for 104 yards while the Indians completed 1 of 3 for six yards.

Top ground gainer of the night was Joe Thigpen with 86 yards in 22 carries. He was followed by teammate John Kimbrough with 77 yards in 14 carries. High for Hamlin was Robert Pearce with 72 yards in 13 carries, followed by Larry Butler with 47 yards in 10 carries. Thigpen gained 80 of his 86 yards in the second half.

Gaining 7 yards in three plays the Indians were forced to punt following the kickoff and the Pipers took over on their 24. Gaining a first down at the 35 on a 11 yard run by Dan Newberry, the Pipers fumbled on the next play with the Indians recovering on the Pipers 38. The Indians drove to the six before their drive was stalled with two pass incompletions.

Taking over on their 6 the Pipers drove to the Indian 35, in the longest drive of the first half, before giving up the ball on downs. Haskell pushed the ball back down in Hamlin territory but Doyle Bell recovered an Indian miscue on his 35 to stop the drive. The Pipers gained 25 yards before losing the ball on a fumble at the Indian 42 midway in the second period.

Haskell drove to the Hamlin 28 before losing the ball on downs with two incomplete passes. Hamlin moved the ball to their 45 before punting to the Indian 27. Haskell ran two plays before the half ended.

Following the kickoff to open the second half the Pipers drew two penalties to put them back on their own 12 yard line. They made it out to the 28 before punting with the Indians taking over on the Hamlin 41 following a 15 yard penalty against Hamlin.

Van stopped a Haskell threat as he intercepted a Haskell pass in the 4 and returned it to the 3. The Indian defense and the Pipers punted out to the Indian 41. Haskell was forced to punt

and then drew a 15 yard penalty to give the Pipers the ball on their own 47. They drove to the 34 before an incomplete pass ended the drive.

Taking over on their 28 the Indians opened a drive that covered the 72 yards in eight plays with Thigpen and Kimbrough eating up big chunks of yardage. Thigpen scored from the four on a sweep around his right end. He hit right tackle to pick up the additional two points.

Following the kickoff, Ham-

lin—with the aid of a 15 yard Haskell penalty—moved cut to the 47 before Haskell intercepted Van's pass and returned it to the Pipers 42. Thigpen and Kimbrough again drove for the score with Thigpen hitting off right tackle on a 28 yard run for the tally. The point after try failed.

Hamlin picked up 39 yards in two pass plays to put the ball on the Indian 22 before suffering a 15 yard penalty. Haskell killed the Piper threat with another interception that was returned 35 yards to the Hamlin 31. Haskell again marched down the field to score with the six-pointer coming on pass over the middle from the six yard line. The point after failed.

Butler returned the kickoff to his 25 from where the Pipers began to put together a sustained drive. Van connected with Dan on a 23 yard pass play, with Dennis Kelley for 13 yards, and then picked up 5 yards on a Haskell penalty. Van hit Kelley again for 5

yards to the 30. Van then connected with Mike Shivers on a pass good for 18 yards. Dan carried for six yards to the 6. Pearce moved to the 3 and then to the 1 and a first down. Hamlin drew a five yard penalty to put the ball out on the six yard line. Van found Shivers deep in the end zone for the touchdown pass with 3 seconds remaining on the clock.

Haskell let the clock run out following the kickoff.

Mrs. Jack Russell, Wendy Kay and Denise, and Mrs. Hollis Madden visited with Mrs. Russell's sister-in-law, Mrs. Teddy Russell and children on their ranch at Barnhart.

FAIRVIEW NEWS

By MRS. ELMER JOINER

If there is such a thing as ideal weather any time, we are having it now. Cool, balmy days, cooler nights, no wind and sand, no rain, just beautiful fall days. The tree leaves are all gorgeous hues of gold and brown, even the old pesky Johnson grass is taking on beautiful colors of fall. Even though it is all pretty, the farmers are all still looking longingly for a killing frost.

We all think we have lots of cotton in the fields to be gathered yet, but this reporter was up in the Lubbock area Sunday and drove around over the country, in a northeast direction. Now, they have cotton in the fields up there, not just a few bales, but hundreds and hundreds of them. Some strippers are working on the defoliated cotton, but most of it is still in the field, just looks like a white snowbank.

Having been away over the weekend, news has been hard to find this Monday morning, but the top news story in our community is that the rest room at the church has been

completed, and is in operation. The painting hasn't been done, but it won't take long to do that, the main objective has been reached, it is in operation. The Fairview church was organized in 1888. The present building was erected in the first few years of the 1900's, so it is quite an addition to have built a nice rest room after all of these years. The church has had a water well several years and it has been one of the projects of the achievement program to have a rest room, and the goal was finally reached.

Church attendance was off Sunday, several being away, taking advantage of the holiday to visit some.

Rev. and Mrs. Derrel Lewis and family, were dinner guests of Mr. and Mrs. E. A. Henry Sunday.

Mr. and Mrs. Woodrow Goodwin and Linda, went to visit with his brother, Mr. and Mrs. Bryan Goodwin, in the Hanna community, Sunday afternoon.

Mr. and Mrs. Winson Gray visited with Mr. and Mrs. Johnnie Agnew Saturday night.

Mr. and Mrs. Elmer Joiner went to Lubbock Saturday to visit with his sister, Mr. and Mrs. Henry Kee, and returned Sunday. Their brother, Sonny Joiner, San Antonio, also came to be with them.

Cathy, Johnny and Sherri Combs, visited with Mr. and Mrs. Woodrow Goodwin Monday while their mother went to the doctor.

Mrs. Ash, mother of Mrs. Mel Jones, spent from Monday until Saturday of last week with Mr. and Mrs. Jones. Mrs. Ash lives down near Dallas.

It has been learned that Mrs. Fred Vaughan is in the Methodist Hospital in Lubbock, where she had major surgery Saturday. Mr. and Mrs. Vaughan and children, have been living in Plainview, since school started, where he has been combining. At last report she was doing fine from the surgery.

Mr. G. W. Wainwright is also in the hospital at Stamford. It seems that he isn't ill, just weak and not up to his usual self. He is one of our senior citizens, past ninety years old, but still alert and looking very much younger than his years.

Mrs. Woodrow Goodwin and Linda spent the day in Abilene, Saturday.

Mrs. Jack White, Mrs. Sol Branscum and Mrs. Elmer Joiner attended the meeting in Anson, last Wednesday, for the club and council officers of the Home Demonstration Club. Miss Bonnie Cox, Texas A&M college, conducted the two hour meeting which was very informative.

'Lolita' Coming To Drive In Theatre Sunday

Three of the screen's most popular stars and an exciting new discovery play the leading roles in "Lolita," coming to the Hamlin Drive In Sunday.

James Mason is cast as Humbert Humbert, Shelly Winters as Charlotte Haze and Peter Sellers as Quilty, with Sue Lyon, an unknown L.A. Angeles girl selected for the part of Lolita, a role destined to make her the most talked-about young actress ever to achieve overnight motion picture stardom. "Lolita" is the work of the successful film-making team of Producer James B. Harris and Director Stanley Kubrick whose previous joint efforts resulted in such critically acclaimed films as "The Killing" and "Paths of Glory." Kubrick also directed last year's epic production of "Spartacus."

Cinematographer on the film was Oswald Morris, whose successful credits include "Moulin Rouge," "Heaven Knows Mr. Allison," "A Farewell to Arms," "The Roots of Heaven" and "Guns of Navarone."

"Lolita" is presented by Metro-Goldwyn-Mayer in association with Seven Arts Productions. Seven Arts has played an integral part in the filming of numerous important motion pictures, including the Academy Award-winning "West Side Story," "The World of Suzie Wong," "The Roman Spring of Mrs. Stone" and "Gigot."

As Humbert, James Mason plays a role at the opposite end of the pole from his recent comedy role in "The Marriage Go-Round." Shelly Winters also has played an infinite variety of roles on stage and screen and won an Academy Award for her portrayal in "The Diary of Anne Frank."

The part of playwright Clare Quilty called for laughs as well as suspense. It was considered ideal for Peter Sellers, whose recent comedy hits include "I'm All Right Jack" and "Only Two Can Play."

Casting the title role in "Lolita" presented special problems. Hundreds of applicants were interviewed. Among them was beautiful, red-haired Sue

creased 1,000 times in the past ten years. He told the club that he doesn't like to pay taxes any more than they did but he couldn't see any way out of another tax increase, probably a straight across the board two percent sales tax with no exemptions. He added that he hoped this would be enough to get the job done.

With our federal taxes already so high, no one wants to pay more state, county, city or school taxes. But if we don't we will find the federal government filling more and more of the needs that should be taken care of by these local agencies. When this happens we will either go even farther into debt or see our federal taxes increased and it always seems to cost the next larger governing body about twice as much to do something as it does the smaller body.

Local Boy Scouts To Take Part in Civil Defense Meet

The members of Boy Scout Troop 43 will go to Abilene on Sunday afternoon to participate in the Civil Defense program being staged in Fair Park stadium.

The boys will be accompanied by their Scoutmaster, J. O. Murphree and assistants, Floyd Smith and L. R. Browning. They will travel in the bus which was purchased from money earned by the sale of Halloween candy. The bus has been painted white and green and the boys use it for their scouting trips.

Lyon. When she was tested in a sence opposite James Mason, she was not only signed on the spot but was given a seven-year contract by Harris and Kubrick.

Texas Farm Bureau Has Highest Membership Ever

WACO—The Texas Farm Bureau ended its fiscal year Oct. 31 with the highest membership in its history—84,842 farm and ranch families, the organization director has announced.

Millard Shivers said the 1962 membership totaled 84,842, an increase of 2,480 over last year's figure of 82,362. This makes the tenth consecutive year for the state's largest farm organization to show a gain in membership, Shivers said.

The Texas Farm Bureau, by virtue of its gain this year, will retain its position as fourth largest Farm Bureau in the nation, the organization director noted. The state organization has been largest Farm Bureau in the south for the past three years.

The TFB's national quota in the American Farm Bureau Federation was 83,007. This quota was exceeded by 1,835, making it the sixth year in a row for the TFB to exceed its national quota.

HAMLIN, TEXAS

"MOVIE TALK"

Our friendly merchants of Hamlin stress very strongly the importance of trading at home. But, most of them seldom attend the most important business on Main Street that is the hometown Theatre. That draws most of its business from Aspermont, McCaulley, Sylvester, Rotan and even as far away as Rule, Haskell and Knox City. I know that these folks eat, buy gas and do some trading in our town. So let's keep the brightest place in Hamlin in business. We trade with you so you trade with US.
